

## Merakey's Bowling Tournament is POSTPONED – Please See Below!

In an abundance of caution, The **Merakey Foundation is postponing the 6<sup>th</sup> Annual Bowling Tournament on Friday, March 13 and Saturday, March 14 at all locations.** While there are no known cases of COVID-19 (the coronavirus) at Merakey, we want to protect all members of the Merakey family, especially those who are medically fragile.

Our Foundation staff is working to reschedule the event for some time in the summer. However, the Foundation is happy to furnish a refund of contributions to anyone who requests it. Please be reassured that the health and safety of our staff and individuals in our care are our number one priority.

Please contact the Foundation staff at [foundation@merakey.org](mailto:foundation@merakey.org) for a refund or for more information about the Bowling event. Look for communications that announce a new date for the Bowling Tournament.

For more information about Merakey's response to COVID-19, please visit the [www.merakey.org](http://www.merakey.org).
