

MEMORANDUM | March 12, 2020

TO: Friends of Merakey and Merakey Gateway Transition Program

FROM: Trish Pisauro, Vice President of Marketing and Foundation
Steve Whitlow, Executive Director, Merakey Gateway Transition Program

SUBJECT: POSTPONED – Wine Walk @ the Mound

In an abundance of caution, **we are postponing the Merakey Wine Walk at Magnolia Mound in Baton Rouge, originally scheduled for March 28.**

While there are no known cases of Coronavirus Disease 2019 (COVID-19) at Merakey, we want to protect all members of our Merakey family, especially those who are medically fragile.

Our Foundation and Merakey Gateway Transition Program staff are working to reschedule the event for some time in the fall. However, the Foundation is happy to furnish a refund of contributions to anyone who requests it. Please be reassured that the health and safety of all members of our Merakey family are our top priorities.

Please contact the Foundation staff at foundation@merakey.org for a refund.
