

STEPHANIE SEYMOUR

MSW, LSW

Program Director, DDTT
Merakey

BIO

Stephanie Seymour is a Licensed Social Worker in Northeastern Pennsylvania focusing on clinical mental health. She holds a bachelor's degree in Sociology with an emphasis in Children and Families concentrations and a master's degree in Social Work. Stephanie has experience working in Applied Behavior Analysis with children diagnosed with Autism and in managing crisis intervention services. She is pursuing her EMDR, NADD, and LCSW certifications.

Stephanie has been an employee with Merakey since 2016, beginning as a Behavioral Specialist with the Dual Diagnosis Treatment Team and transitioning to the Program Director role in 2019. As part of this team, Stephanie has experienced working with individuals with MH/IDD needs. She and her team work to help individuals foster their own self-determination in terms of their needs, wants, and personal goals. Stephanie works with her team to help diffuse crisis situations while fostering growth in mental health stability, activities of daily living, and personal responsibility in a variety of areas.
